Dear Ms Wythe,

I am writing to express my thanks to you and to all the members of the facilitation team who worked on the Arctic Gateway Summit, November 8 – 10, 2010 at the University of Winnipeg.

The Arctic Gateway Summit was a tremendous success and it simply would not have been possible without your team's dedication and willingness to put in effort above and beyond the call of duty.

I understand that with your support and leadership, the facilitation team was responsible for guiding, recording and synthesizing the participants' discussions. This information will be used by the Manitoba Government, key partners and stakeholders to develop the Arctic Gateway strategy and will help to inform Manitoba's northern development policy for years to come.

Thank you for your hard work and professionalism. Your efforts are noticed and appreciated.

Sincerely,

Greg Selinger
