

The Learning Zone

HELEN J. WYTHER & Associates offers a wide variety of courses to teach you essential skills need to know skills and knowledge.

HELEN J. WYTHER & Associates courses are available publicly and can be customized for in house programs.

Our courses use a variety of learning methodologies to maximize opportunities for comprehension and retention. Key methodologies providing the foundation for learning in these workshops are Technology of Participation (ToP)[™], Multiple Intelligences[™], Accelerated Learning and Adult Learning Principles.

Instructors understand and use up-to-date training techniques and a variety of training methods, including lectures, group discussions, case studies, problem solving exercises, and visual aids to give all participants the best opportunities for learning.

HELEN J. WYTHER & Associates events range from half day sessions to one to five days running from 9:00 to 5:00. Most courses dynamics allow for a minimum of 10 participants and a maximum of 20 people.

Participants' handbooks will note key points, accommodate handouts, and provide space for individual learning. These workbooks will serve as a reference for individuals upon completion of the course.

The course fee includes pre-workshop materials, a detailed manual as a post-course reference for each participant and one hour of coaching per participant within 6 months of the course date.
